

Sydney Rhinoplasty Dissection Course

17.08.24

Saturday, 17 August, 2024

STOP PRESS: DUE TO HIGH DEMAND, THERE ARE NO LONGER ANY DISSECTOR SPOTS AVAILABLE BUT THERE ARE STILL LIMITED PLACES AVAILABLE FOR NON-DISSECTORS. [REGISTER TODAY!](#)

This is the official course of the AAFPS. The course is open to all practising specialist plastic and specialist otolaryngology surgeons looking to improve their facial plastics training. Both plastic and ENT trainees are welcome. The sessions are both lectures and dissection. This educational activity has been approved in the RACS CPD Program.

Faculty

Prof Richard Harvey
Dr George Marcellis
